Thanks in advance for your help! How To Start Recording In Traktor Pro 2 DownloadHow To Record In Traktor Scratch Pro 2Jun 11, 2012 In this video, I will show you how to record samples in Traktor Pro 2 without using the loop recorder built into Traktor Pro 2.

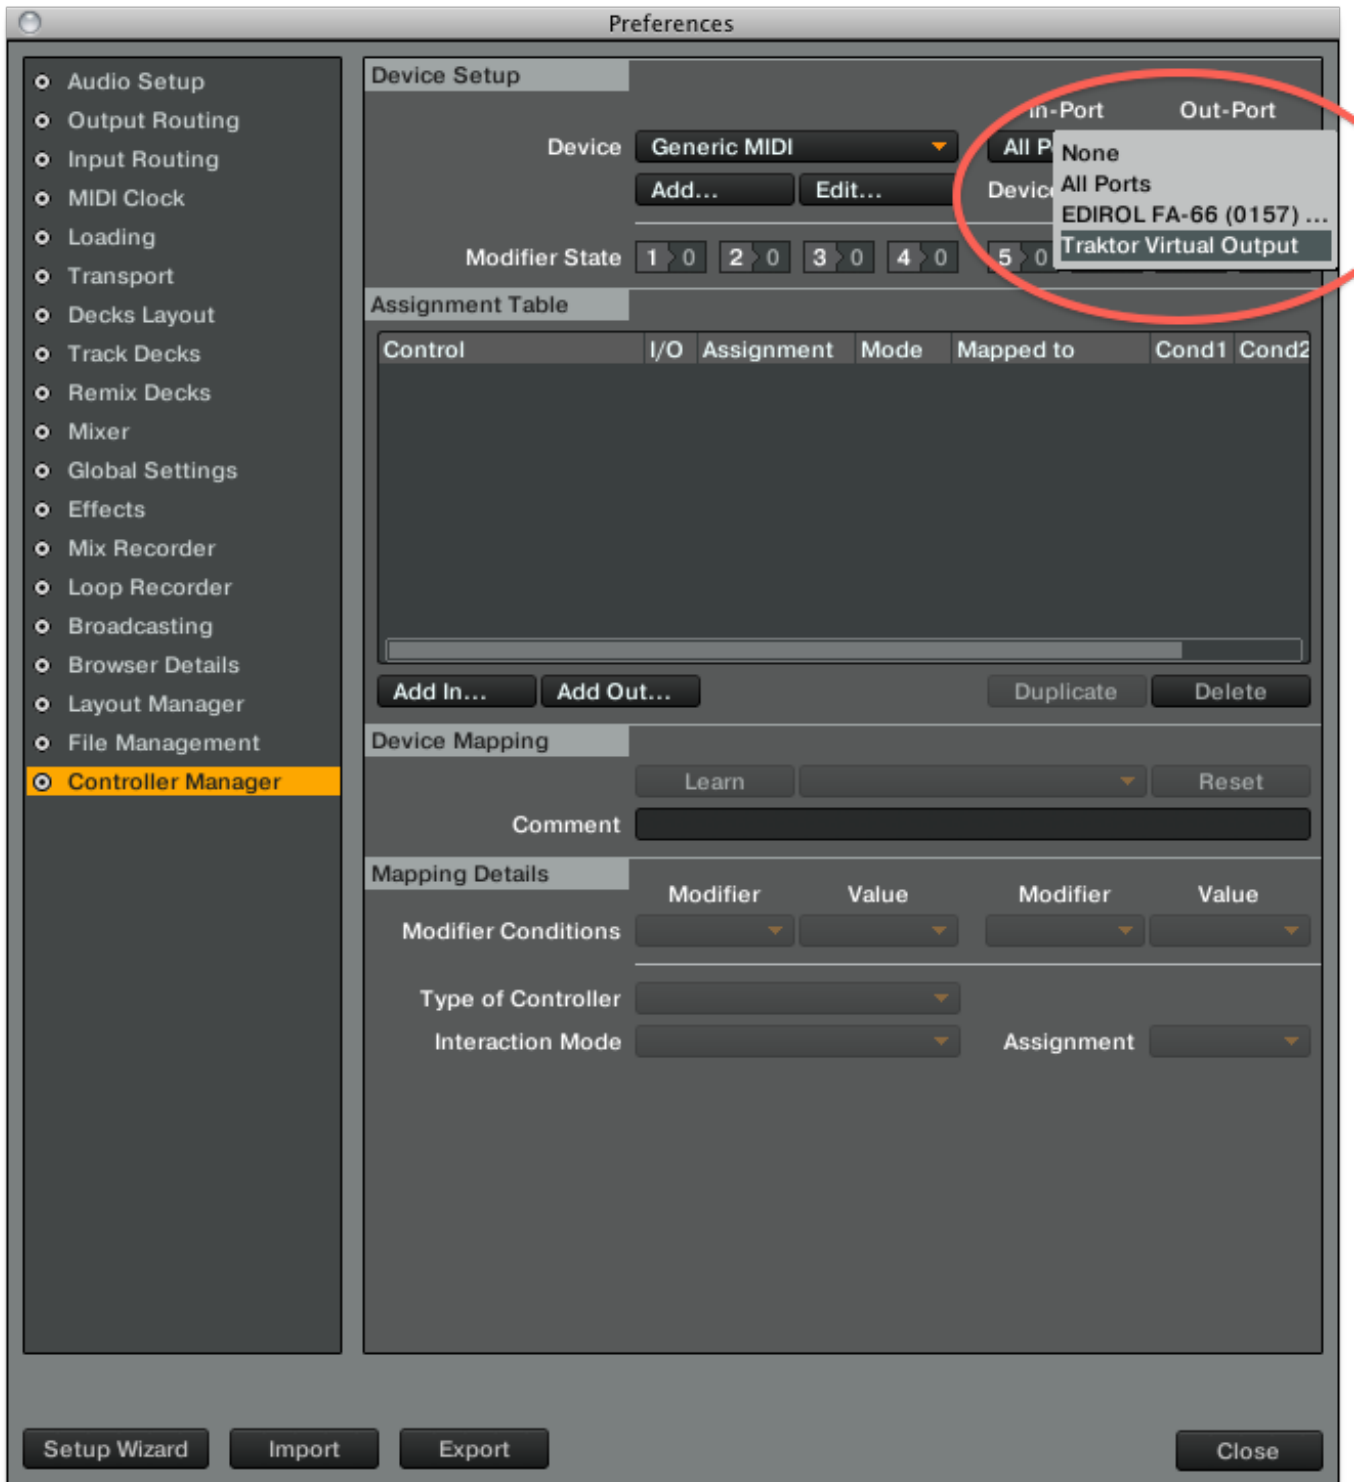

1. [start recording traktor](#)

It really is nowhere to be found, as you can see:traktor screen jpg So Where can I find the recording function then? I initially thought I accidentally installed Traktor LE or so, but I really have Traktor Pro, and thus I read every line in the preferences menu but I can't find a function to let the recorder pop up.
